O P E N I N G H Y M N

#32, "THE HAPPY DAY AT LAST HAS COME"

The happy day at last has come.

The truth restored is now made known.

- 1 - The promised angel's come again
 To introduce Messiah's reign.

The gospel trump again is heard.

The truth from darkness has appeared.

- 2 - The lands which long benighted lay
 Have now beheld a glorious day:

The day by prophets long foretold,

The day which Abram did behold,

- 3 - The day that Saints desired so long,
 When God his great work would perform,

The day when Saints again shall hear

The voice of Jesus in their ear,

- 4 - And angels, who above do reign,
 Come down to speak again with men.

Praise to the man who communed with Jehovah!
Jesus anointed that Prophet and Seer.

- 1 - Blessed to open the last dispensation,
Kings shall extol him, and nations revere.

chorus

Praise to his mem'ry, he died as a martyr;
Honored and blest be his ever great name!

- 2 - Long shall his blood, which was shed by assassins,
Plead unto heav'n while the earth lauds his fame.

chorus

Great is his glory and endless his priesthood.
Ever and ever the keys he will hold.

- 3 - Faithful and true, he will enter his kingdom,
Crowned in the midst of the prophets of old.

chorus

Sacrifice brings forth the blessings of heaven;
Earth must atone for the blood of that man.

- 4 - Wake up the world for the conflict of justice.
Millions shall know "Brother Joseph" again.

chorus

Hail to the Prophet, ascended to heaven!

Traitors and tyrants now fight him in vain.

chorus *Mingling with Gods, he can plan for his brethren;*

Death cannot conquer the hero again.
